This is a revision that has been filed seeking to challenge the ex-parte judgment dated 17.11.2015. This petition was filed in this Court on 23.5.2016 along with an application for condonation of delay of 95 days in filing the aforesaid revision. This is, in fact, an ex-parte order and the petitioner now seeks to withdraw the instant revision with liberty to approach the court below for recalling/modification/alteration of the order so passed, on the ground that the income of the petitioner has been assessed without there being any documentary evidence and he has been directed to pay ₹12,000/- per month to the respondents herein.

The instant petition is dismissed as withdrawn by giving liberty to the petitioner herein to avail the remedy as available to him in accordance with law.
