This revision is directed against the order passed by the Juvenile Court as well as the Additional Sessions Judge, Yamuna Nagar wherein the application for regular bail has been dismissed.

Allegations of rape had been levelled by a minor aged 15 years. She and her friend had accompanied two boys in a car. The allegations were that they were taken inside and raped. The friend of the complainant made a statement under Section 164 Cr.P.C. saying that she had gone on her own and no wrong act was committed with her. At the trial she made a similar statement. The prosecutrix had made allegations of rape against the petitioner but at the trial she did not support the prosecution version and was turned hostile.

Considering the circumstances, the revision is allowed and the petitioner is ordered to be released on bail on his furnishing surety and adequate bonds to the satisfaction of the trial Court/Duty Magistrate.
