In the present writ petition, petitioner has challenged the award passed by the labour court dated 05.03.2015 (Annexure P-1). Moreover, the present petition has been filed after filing of the execution proceedings as is evident from the date of award. Thus, petitioner has not made out a case so as to interfere with award passed by the Labour court dated 05.03.2015(Annexure P-1).
