The advertised essential qualification for the post of Post Graduate Teacher in Chemistry is M.Sc. Chemistry or M.Sc. Bio Chemistry for the post of Post Graduate Teacher in Chemistry. The petitioner holds the degree of M.Sc. Industrial Chemistry which is not one and the same thing. Therefore, the petitioner is not eligible for the post.

No evidence of equivalence has been placed on record by a Committee of Experts. It is not for the Court to add to the qualifications or alter them.

The petition stands dismissed.
