Petitioner is seeking quashing of the result calling the candidates for interview-cum-personality test (Annexure P-5).

When notice of motion was issued on 31.05.2017, petitioner was ordered to be provisionally considered, but his result was to be kept in a sealed cover.

As per reply filed by Haryana Staff Selection Commission-respondent No.2, the petitioner has not qualified the Physical Measurement Test (PMT) (Annexure R-2/2), which was held on 25.10.2016 and petitioner had put his signatures that he was satisfied with the measurement taken. As per this result, he has failed in the PMT. According to rules/norms, normal chest has to be minimum 81 cm, but the petitioner has only 80 cm.

Once, he has not qualified the Physical Measurement Test, no case for interference in the selection process is made out, which has attained finality.

Resultantly, the present petition is dismissed. The respondent-
