This writ petition is in the nature of Public Interest Litigation.

Learned counsel appearing for the petitioner contends that on various complaints made into the functioning of former President, Veterinary Council of India, certain proceedings were initiated and upon an audit being conducted, lot of anomalies were discovered, but the proceedings have not been taken to a logical end.

It goes without saying that in case any such proceedings have been initiated, the same are to be brought to a logical end. Considering the facts, we dispose of this writ petition by commanding the respondents to look into the matter, and conclude the proceedings, if any, expeditiously, in accordance with law.
