This writ petition is the second attempt made by the petitioner to question the rate of allotment of 100 square yard plot allotted to him under the 'Oustees Category'. The plot has been allotted @ Rs.25,000/- per square yard. The petitioner earlier filed CWP No.25567 of 2015 raising the same issue but his writ petition was dismissed vide order dated 15.09.2016 in the following terms:-

“....(6) Since the petitioner earned eligibility in the year 2011 only when his additional land was acquired, we are of the considered view that at best the petitioner can be allotted plot at the rate which was prevalent in that year. He cannot claim allotment as per the 2001 rate when neither he was eligible nor any allotment was made in his favour.

(7) Learned senior counsel for GMADA, on instructions, informs that in 2011 also, the rate of allotment was Rs.25,000/- per square yard.....”

The petitioner thereafter made a representation dated 15.01.2018 to reconsider the rate of allotment but his representation was

turned down on the ground that all the allotments have been made at the

The instant writ petition, in our considered view, is barred by principles of *res-judicata* and in any case, there is no legal infirmity in the rate of allotment which has been levied uniformly on all the allottees.

Dismissed.
