Reply on behalf of the respondent has been filed today in Court is taken on record.

This petition was listed before us after a special mentioning on 30.05.2018 and we had issued notice for 31.05.2018 considering the last date of counselling and its conclusion.

We heard the matter at some length and were constrained to summon the Director Principal of Govt. Medical College, Sector 32. There is an apparent error in counselling qua 17 seats that reverted to the U.T. Pool after the All India Counselling.

Realising that there is a mistake in treating all these 17 All India quota seats as institutional preference seats, Dr. B.S.Chavan, Director Principal, GMCH, Sector: 32 is present in Court and states that the entire counselling shall be conducted a fresh today itself.
