Surya Kant, J. (Oral)

This order shall dispose of CWP Nos.15306, 15315 and 15327 of 2018 as in all the three writ petitions the issue raised is common in nature.

The petitioner(s) applied for allotment of industrial plots in the Industrial Area, Sector-25-II, Panipat in the year 2003. It is averred that their applications were entertained; they were called for interview and allotment list was prepared in which their names were included. The petitioners thereafter have been running from pillar to post and made several representations to HUDA authorities but allotment letter has not been issued.

We have heard learned counsel for the petitioner(s) and gone through the record.

In the absence of any allotment or commitment to make allotment by HUDA authorities, it appears that no mandamus can be issued directing the authorities to issue the allotment letter(s). The question as to whether the State Government or HUDA authorities intend to expand the industrial area at Panipat for the overall development and growth of the State, is indeed a policy matter. If such a decision is taken by the policy makers, the second question which arise for consideration is the transparent manner for making allotment of plots based upon the doctrine of equality. In this view of the matter, we dispose of these writ petitions leaving it open to the petitioners to approach the State Government who shall be at liberty to take appropriate decision in the light of the observations made above.

Dasti.
