The question whether the petitioner has raised construction of residential house on his own land or he has allegedly encroached upon the HUDA land, is now sub-judice before the Additional District Judge, Kurukshetra in C.A. No.295 of 2017. The application for appointment of Local Commissioner moved by the petitioner for identification of the land is also pending consideration. In these circumstances, instead of entertaining the present writ petition, we request the Additional District Judge, Kurukshetra to decide the application for appointment of Local Commissioner within one week and make an endeavour to decide the main appeal on the date fixed, i.e., 18.07.2018. There is no gain saying that if the petitioner has constructed the house authorizedly at his own land, the authorities cannot demolish the same forcibly except in accordance with law.

With these observations, the writ petition stands disposed of.
