The petitioner-Society is a Group Housing Residential Society at Ambala for which the land appears to have been allotted by HUDA. A part of the said land was acquired for Dedicated Freight Corridor Corporation of India for construction of a platform abutting the railway line. The water-head tank and some other amenities of the petitioner-Society fall within the said acquired land. It further appears that compensation for the acquired land assessed over Rs.5.0 crores has been paid to HUDA. The petitioner-Society has separately disputed against HUDA authorities re: apportionment of the compensation amount and the matter is sub-judice.

The instant writ petition has been filed seeking a direction to HUDA and Railway Authorities to grant sanction and sufficient time to the petitioner-Society to shift the amenities which fall within the land acquired for railways.

Having heard learned counsel for the petitioner but without expressing any views on merits, the instant writ petition is disposed of with a direction to the Chief Administrator, HUDA, Panchkula and the Estate Officer, HUDA, Ambala to consider the grievance of the petitioner-Society

and take appropriate decision within a period of one months from the date of receiving a certified copy of this order.
