CORAM: HON'BLE MS. JUSTICE RITU BAHRI.

Present: Mr. Jai Bhagwan Sharma, Advocate for the petitioner.

RITU BAHRI, J. (Oral).

The petitioner is aggrieved against the order dated 11.07.2018 (Annexure P-1) whereby he has been terminated after being appointed as contractual Junior Mechanical.

The petitioner was appointed vide appointment letter dated 09.11.2017 (Annexure P-4) and it was stated therein that till the regular candidate from Haryana Staff Selection Commission is made available or the post is in existence or till the work is required. However, the termination has been made as per condition No. 2 of the appointment letter i.e. "without assigning any reason or giving any notice". The continuation of contractual employee has to be only till the regular candidate is made available or the post is in existence or till the work is required. However, the order dated 11.07.2018 does not specify any reason. However, it is not the case of the petitioner that after terminating him any other person has been employed on the post of contractual Junior Mechanic.

This petition is being disposed of by giving liberty to the petitioner to approach this Court again if any other person on the post of contractual Junior Mechanic is appointed replacing the petitioner as one of

the conditions of appointment letter is that he can be terminated when there is no work.
