Present: Mr. Vijay Lath, Advocate

for the respondent.

MAHESH GROVER, J. (ORAL)

Pursuant to our order dated 21.05.2018, an inspection has been carried out and the report expressing satisfaction qua the physical infrastructure of the institute.

It has been stated by Dr. Anand, appearing on behalf of the respondent, that they would not have any objection to the admissions qua the current session if the institute has faculty of requisite standards. Petitioner states that factually is in place.

It is difficult for us to comment on the statement made by Dr. Anand about the standards of the faculty.

Since the inspection team is satisfied by the efforts put in by the institute for improvement and recommended the affiliation of the institute for three courses for the current year, we deem it appropriate to dispose of the present petition as infructuous.

In view of the stand of the respondent-University, inspection report is taken on record.
