Surya Kant, J. (Oral)

The petitioners impugn the order dated 17.01.2013 passed by Central Administrative Tribunal, Chandigarh Bench as well as the subsequent order of the Tribunal dated 10.02.2016 whereby their review application has been dismissed.

The controversy before the Tribunal pertained to selection to the posts of Chowkidars made pursuant to the advertisement issued in employment news in the year 2000. The petitioners were also selected and appointed in February, 2000. Their selection was challenged before the Tribunal and it was quashed with a direction to hold fresh selection. In the fresh selection, the petitioners could not make to the merit-list. They challenged the fresh selection before the Tribunal but their Original Applications were dismissed. The subsequent selection was upheld by this Court also and even SLP was dismissed by the Hon'ble Supreme Court. Services of the petitioners were thus terminated vide order dated 05th August, 2003. It further appears that the petitioners chose to re-agitate the matter again by way of OA No.429-HR of 2011 which was dismissed on

17.01.2013. Their review application against the order dated 17.01.2013 was also dismissed on 10.02.2016.

As the facts would speak for themselves, there is unexplained inordinate delay and laches on the part of the petitioners in challenging the orders passed by the Tribunal. The original order was passed more than five years back and the review order is also more than two years old.

No case to interfere with the impugned orders is made out.

Dismissed.
