CM-10095-CII-2012

For the reasons recorded, the application is allowed. Delay of
07 days in filing the appeal is condoned.

Main Case

This appeal has been filed against the award dated 6.12.2001
passed under Motor Accident Claims Tribunal, Karnal awarding
compensation of Rs. 3000/- alongwith interest at the rate of 6% per
annum on account of damages to the car in an accident.

Counsel for the appellant has argued that the compensation
awarded on account of damages to the case is very low.

I find that as regards damages to car there is no scope for
enhancement. The appeal stands dismissed.

Since the main case has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
