CM-10097-CII-2012

For the reasons recorded, the application is allowed. Delay of
07 days in filing the appeal is condoned.

Main Case

This appeal has been filed against the award dated 6.12.2001
passed under Motor Accident Claims Tribunal, Karnal awarding
compensation of Rs. 80,000/- alongwith interest at the rate of 6% per
annum on account of injuries in an accident.

Since a very limited point has been urged detailed reference to
the facts is not required.

Counsel for the appellant states that as per the report the appellant suffered fracture both bones fore-arm right, with fracture neck of femur, and fracture shaft of femur right, and fracture of nasal bone.

I deem it appropriate to award Rs.50,000/- more to the appellant. Ordered accordingly.

Learned counsel for the appellants further states that rate of interest at the rate of 6% has been awarded which is very low.

I find this to be indeed so. Consequently, I award 7.5% interest on the entire amount from the date of filing of the claim petition till the date of payment.

The appeal stands allowed with the above said modifications.

Since the main case has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
