This appeal was heard on 15.01.2018 but before the order could have been finalised it was not clear from the court-file that whether the present appeal was in case of death or for injury. Two FAO's were filed arising out of same accident.

Today, learned counsel for the appellants stated that FAO No. 692 of 2011 was filed claiming compensation for death of Arshdeep Singh. The said appeal was dismissed. He contended that the present appeal is only for enhancement of compensation for injuries suffered by Kamaljit Kaur and Harpreet Singh. His prayer is that only amount of Rs. 6000/- has been awarded by the Tribunal along with interest @6% per annum.

He has not been able to raise any ground to substantiate his contention for enhancement. There is no detail of injuries. No doctor was examined. In such circumstances, no interference is called in the award dated 21.04.2010 passed by Motor Accident Claims Tribunal, Patiala in MAC No. 4 of 15.01.2009.

The appeal is dismissed, accordingly.
