MAHESH GROVER, J.(ORAL)

Report has been submitted.

Let the Government take a decision with regard to the capability/eligibility of the college to go on with its functioning. So far as Court is concerned we would decline interference considering that an issue of the college being compliant in all respects has to be to the satisfaction of the regulatory bodies.

Respondents may take decision as expeditiously as possible so as to enable the college, if otherwise compliant, to go ahead with the admissions for the next academic session.

Disposed of.
