MAHESH GROVER, J.(ORAL)

This writ petition is directed against the order dated 5.2.2016.

The Gram Panchayat has sought the eviction of the petitioner from some portion of the land which belongs to them and from where the petitioner was operating an Atta Chakki. In the order that ensued the competent authority omitted the mention of Atta Chakki which led to the filing of another application where the omission was sought to be corrected. The prayer was accepted vide impugned order and is now a cause of grievance to the petitioner who contends that the competent authority cannot review it. It has been specifically argued before us that in the application for eviction the Atta Chakki was not mentioned at all.

We have perused the application and find that the assertion made before us is completely misleading and wrong as in the prayer clause Atta Chakki has been specifically mentioned. In view of this when the

competent authority was approached by a subsequent application it was not wrong when it ordered the correction to incorporate the word '*Atta Chakki*' in the order, particularly when the eviction had been ordered and the order accepted by the petitioner himself since he did not file any appeal.

In view of above, we do not find any merits in the instant petition and the same is hereby dismissed.
