Dr. Prem Kumar Jakhar

...Petitioner

Vs.

State of Haryana & others

...Respondents

CORAM: HON'BLE MR. JUSTICE RAJIV NARAIN RAINA

Present: Mr. Ajay Shekhawat, Advocate, for the petitioner.

RAJIV NARAIN RAINA, J. (ORAL)

If the petitioner projects a case where both the couple should be posted together, then he has not shown in his petition whether he has brought his grievances to the notice of the Director General, Technical Education, Haryana, after he was transferred from Bhiwani to Panchkula by order dated 31.01.2018. Besides, if the petitioner feels that he is being used as a football without justification, then he should have said as much to the Director General in writing, for him to consider both the requests in the light of his circumstances, in addition to the claim for promotion on regular basis made through representation Annex P-2.

The petitioner may make another representation for the consideration of the competent authority to promote and/or transfer him or retain him in Bhiwani since his wife, also a Government servant posted in Rohtak, as the case may be. And for this purpose, the request would be taken up and decided by the Director General within a week or 10 days from the

date of production of certified copy of this order. In case, the claim is considered justified, then only office order may be issued. Otherwise, the second respondent would call the petitioner, discuss the matter with him, hear him on his point of view and thereupon give reasons for his conclusions on both the issues of promotion and transfer as per rules/policy.

With these observations and directions, the petition stands disposed of without making any comment on the merits.
