...Respondents

CORAM: HON'BLE MR. JUSTICE RAJIV NARAIN RAINA

Present: Mr. Mohammad Arhsad, Advocate, for the petitioner.

RAJIV NARAIN RAINA, J. (ORAL)

The participants in the Physical Screening Test running for the post of Female Constable (General Duty) were handed over slips recording their speed for the prescribed distance. The petitioner admits that the slip of paper given to her is lost irretrievably.

The test was held in March, 2016. The petitioner claims selection on the basis of an affidavit in which an averment is made that she completed the race i.e. 2.5 Km in 13:17 minutes for which she should be given 12 marks to bring her in the zone of selection.

If the slip is lost, self-serving affidavit of the petitioner will not constitute dependable evidence of speed achieved to establish her claim for award of an extra mark. I have, therefore, no reason to interfere in this matter and would dismiss it.

Consequently, the instant petition is dismissed with liberty to the petitioner to take resort to Right to Information Act, 2005 in case there is

firm evidence with the respondents regarding the timing by which the petitioner clocked the physical test.
