SURYA KANT J. (Oral)

(1) The petitioner challenges the allotment of a religious site in favour of respondent No.5 (M/s International Ishavasyam Mission for social welfare of India). The allotment was made in the year 2010.

(2) It may be true that the instant writ petition is the second round of litigation between the parties but the fact of the matter is that respondent No.5 has fully constructed the site after getting prior approval and Building Plans sanctioned as can be seen from the photographs placed on record, duly supported with an affidavit. It is thus too late to go into the *inter se* merit of the petitioner's claim vis-à-vis of respondent No.5. However, as and when the State authorities decide to allot a site in future, the petitioner shall be at liberty to apply for the same.

(3) Disposed of.
