CORAM: HON'BLE MR. JUSTICE RAKESH KUMAR JAIN.

Present: Ms. Divya Mahlawat, Advocate,
for the petitioner.

RAKESH KUMAR JAIN, J. (Oral)

This petition is filed for seeking a writ in the nature of Certiorari for quashing of status report dated 30.10.2017 (Annexure P-4).

The petitioner made a complaint at the CM-Window against respondent No. 5, who was the Guest Principal, Govt. Girls Senior Secondary School, Achina, District Charkhi Dadri, Haryana on the ground that she had been taking ₹50/- per month from each students from the last 5 years. The said matter was inquired into and it has been found that both the complainant-petitioner and respondent No. 5 are making allegations against each other without any basis. Thus, the complaint was consigned.

Learned counsel for the petitioners submits that the status report does not deal with the allegations made by the petitioner.

Be that as it may, the fact remains that the petitioner who has filed an affidavit (Annexure P-1) is not the person from whom respondent No. 5 has allegedly taken ₹ 50/- per month from the last five years. The allegation is that respondent No. 5, being the Principal, had been taking ₹50/- per month illegally from each student from the last five years

but not a single affidavit has been filed by any of the student who had allegedly paid ₹ 50/- per month that too from the last five years.

Thus, in the absence of any cogent evidence, the application/complaint made by the petitioner has rightly been consigned.

In view of the above, I do not find any merit in the present petition and the same is hereby dismissed, though without any order as to costs.
