This appeal has been filed for enhancement of compensation for the death of an eleven years boy. Since a very limited issue has been raised, detailed reference to the facts would not be necessary.

The Tribunal awarded a total sum of ₹ 3,95,377/- as compensation. Counsel for the appellants has argued that the compensation awarded by the Tribunal is highly inadequate.

The Tribunal computed the compensation in terms of the judgment of the Supreme Court in Krishan Gopal and another Vs. Lala and others, 2013(4) RCR (Civil) 276. That decision has been considered by this Court in Hawa Singh Versus Tek Chand and others, FAO No.7621 of 2015,

decided on 13.7.2018, where the compensation for the death of 14 years boy was tagged at ₹ 6,00,000/-. In my opinion, this amount would be appropriate to be awarded as compensation in this case. Ordered accordingly. Interest would remain unchanged. With this modification in the Award, this appeal stands disposed of.

Since the main case has been decided, the pending C.Ms, if any, also stand disposed of.
