CM-26622-CII-2014

Prayer in this application filed under Section 5 of Limitation Act read with Section 151 CPC is for condonation of delay of 28 days in filing the present appeal.

For the reasons stated in the application, same is allowed and the delay of 28 days in filing the appeal is condoned.

FAO-9605-2014

Appellants have filed the present appeal for enhancement of compensation over and above the amount awarded by the Motor Accident Claims Tribunal, Amritsar (for short, 'the Tribunal') vide award dated 05.12.2013.

Learned counsel for the appellant-claimants has argued that the claimants have not been awarded interest by the Tribunal on the awarded

amount and it has been conditioned that the claimants shall be entitled to

interest @ 6% per annum, but the interest shall be payable if the respondents failed to pay the compensation within 2 months.

At this stage, learned counsel for the respondent No.3- Insurance Company, without contesting the claim on merits, states that the Insurance Company shall have no objection in case the award is modified and another sum of ₹1,10,000/- is granted to the appellants-claimants over and above the amount already awarded by the Tribunal.

The above offer made by learned counsel for respondent No.3- Insurance Company has been accepted by learned counsel for the appellants.

Accordingly, the award is modified to the extent that in addition to the awarded amount, the appellants-claimants shall be disbursed another amount of ₹1,10,000/- within one month from today.

Appeal stands disposed of accordingly.
