**AJAY TEWARI, J. (Oral)**

This appeal has been filed by the owner-driver against the award dated 02.08.2016 passed by the Motor Accident Claims Tribunal, Ludhiana granting compensation of Rs.3,82,291/- to the claimant on account of injury suffered by him in an accident.

The limited argument which has been raised is with regard to quantum. I find that respondent No.1-claimant had suffered total loss of his left pinna (left outer ear) and also suffered fracture in Tibia bone. He had to under go corrective surgery and plastic surgery. He had proved medical expenses of Rs.1,87,291/-.

Keeping in view the entire conspectus of facts, counsel has not been able to persuade me that the compensation awarded is excessive.

Appeal stands dismissed.

Let the amount of Rs.25,000/- be remitted back to the Tribunal for disbursal to the claimant-respondent No.1.

Since the main case has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
