Order dated 11.12.2014 passed by the learned Single Judge dismissing the writ petition has been impugned in the present intra-court appeal.

The petitioner, who is tenant in shop No.842-843 filed the writ petition impleading the Municipal Corporation, Moga. The writ petition was dismissed on the ground that the persons, who were allegedly raising construction, had not been impleaded as a party. In any case, notice Annexure P-9 attached with the writ petition has been issued by the Corporation to the owners of the property pointing out that the illegalities committed while raising the construction. As the action was being taken by

the Corporation and before this Court, the parties who are allegedly raising unauthorized construction, against whom the action has been sought, were not impleaded, we do not find any error in the order passed by the learned Single Judge.

The appeal is accordingly dismissed.
