:-

RAJESH BINDAL J.

The order dated 27.04.2016 passed by the learned Single Judge has been impugned by filing present intra-court appeal.

The relief sought in the writ petition filed by respondent No.6-writ petitioner was that a direction be issued to the official respondents to demarcate the land of the writ petitioner for which application had been made. The writ petition was disposed of with a direction to the Deputy Commissioner, Karnal to do the needful in accordance with law.

The present appeal was admitted on 24.06.2016 and operation of the order passed by the learned Single Judge was stayed.

During the pendency of the present appeal on 09.08.2017, interim order already passed at the time of admission of the appeal was modified and official respondents were directed to carry out the demarcation in terms of directions issued by the learned Single Judge. The report has been produced on record.

As the only prayer made by the writ petitioner was for demarcation of his land and the needful has been done, we do not find anything survives in the present litigation.

The apprehension of the appellants that the demarcation report as submitted before this Court may be treated as final document is totally misplaced as we have not opined on the correctness thereof. Needless to state that it is for the parties to avail their appropriate remedy in accordance with law, if any one is aggrieved by the demarcation report.

The appeal stands disposed of.
