CM No.6812-CII-2018

For the reasons recorded, the application is allowed. Delay of
43 days in filing the appeal is condoned.

FAO No.1769 of 2018(O&M)

This appeal has been filed against the order of the Employees
State Insurance Court awarding compensation of Rs.2 lakhs to the
respondents No.1 to 3-claimants on account of death of Jakir Hussain.

The case set up by the respondents No.1 to 3 – claimants was
that the deceased fell down while he was working and ultimately died. The
case of the appellant-insurance company was that firstly the claim was
barred by delay and secondly the death had occurred due to natural causes
and was therefore not covered under the ESI Act. In my opinion, both these

aspects have been considered by the courts below.

Counsel for the appellant has not been able to show how the findings given by the ESI Court are incorrect.

Appeal is dismissed.

Since the main case has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
