The order passed by the learned Single Judge dismissing the writ petition has been impugned by filing the present intra-court appeal.

Challenge in the writ petition was to the award of the Labour Court dated 7.1.2005. The writ petition was filed in the year 2017. The same was highly belated. Not only this, the industrial dispute, for which cause of action arose to the appellant way back in December, 1986, was raised in the year 2001. After the Labour Court dismissed the claim made by the appellant on 7.1.2005, the appellant filed a civil suit in the year 2010, which was dismissed in the year 2013. Thereafter, the present writ petition was filed in the year 2017.

The aforesaid facts clearly establish that this is totally luxurious

different levels and in fact, deserves to be burdened with heavy cost, but we refrain ourselves from imposing any cost on the appellant, as he was merely a workman.

Accordingly, the appeal is dismissed.
