RAJESH BINDAL, J.

Order dated 22.11.2017 passed by the learned Single Judge dismissing the appellant's writ petition has been impugned by filing the present intra-court appeal. The proved allegation against the appellant was that he had delayed the registration of FIR in a road accident case. For that, after departmental proceedings punishment of stoppage of one future annual increment with permanent effect was imposed on the appellant. Before the Superintendent of Police, at the time of personal hearing, the appellant admitted that he had committed a mistake and prayed for leniency as it was his first case as Investigating Officer.

No error in the holding of the departmental enquiry has been pointed out in which punishment of stoppage of one future annual

increment with permanent effect has been imposed upon the appellant.

We do not find any error in the order passed by the learned Single Judge. The present appeal is, accordingly, dismissed.
