ANIL KSHETARPAL, J. (ORAL)

After arguing at length, learned counsel for the parties have arrived at a consensus. Both the counsels have jointly submitted that let a fresh demarcation of all the properties be got conducted with the help of theodolite (total station machine) which is a GPS based system. The counsels have agreed that after the demarcation is carried out, no one would be entitled to raise any objection and they will abide by the aforesaid demarcation.

The concerned Tehsildar is directed to appoint an experienced revenue official along with Patwari of the area to help the demarcation to be carried out. The parties would be entitled to give their suggestions to the persons who are demarcating the land. Both the counsels have also prayed that with these observations, the appeal be disposed of.

Both the parties shall be entitled to move an application to the

concerned Tehsildar after taking a certified copy of the order passed by this Court and the demarcation be got carried out within one month from the date the application is submitted to the concerned Tehsildar.

Appeal is disposed of.
