**C.M. No. 2227-CI of 2018 and
RFA No. 849 of 2018**

It is the case of the appellants that the matter is covered and the compensation has been enhanced from Rs.60,00,000/- per acre as awarded by the Land Acquisition Collector for village Kankrola to Rs.1,06,48,000/- per acre. It is a matter of record that in ***RFA No. 5316 of 2014, Pushpender Kumar and others vs. State of Haryana*** decided on 27.05.2016, the amount had been further enhanced to Rs.2,24,97,003/- per acre for notification dated 11.02.2010. However, the same was modified in ***Civil Appeal Nos. 11913-11945 of 2017, State of Haryana and another vs. Pushpendra Kumar and others*** to the tune of 15% towards development costs. Thus, reducing a sum of Rs. 33,74,550/- the market value has, thus, been assessed at Rs.1,91,22,453/- per acre. The operative part of the reduction by the Apex Court reads thus:-

“10. In our opinion, the deduction of 15% towards development would have been sufficient, which ought to have been made in the instant cases, in the peculiar facts of the case, considering the potentiality of the area in question and the development which has taken place all around. This order not to be treated as

a precedent in any other case. Thus, we modify the determination made by the High Court to the above extent only. Let deduction be made accordingly.

11. Coming to the question of severance charges, in case there is no land left out after the acquisition, obviously, severance charges would not be granted. It is in the cases where only part of the land has been acquired and there is a severance of the adjacent/remaining area, only in those cases compensation for severance is granted. It stands set aside in the cases where there is no severance.

12. The appeals of State are partly allowed and appeals of owners are dismissed. Pending application, if any, stands disposed of. Let the amount be paid within four months from today.”

Accordingly, the appeal is allowed in the same terms and the land owners will be entitled for compensation of Rs.1,91,22,453/- per acre.
