AJAY TEWARI, J. (Oral)

This appeal has been filed against the judgments of the Courts below whereby the appellants have been restrained from interfering in the possession and running of the factory owned by the respondent except in due course of law.

Learned counsel for the appellants states that she has instructions to state that the appellants have no intention to interfere or in the possession or the running of the factory of respondent except in due course of law.

Both the Courts below held that the appellants would have the right to pursue their legal remedies to have the unit closed down if it was operating illegally but that they could not interfere in the possession and running of the factory of the unit except in due course of law.

There is no fault in the judgments of the Courts below.

Appeal stands dismissed.

Since the main case has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
