...Respondents

CORAM: HON'BLE MR. JUSTICE ANIL KSHETARPAL

Present: Mr. K.S. Rekhi, Advocate for the appellant.

ANIL KSHETARPAL, J. (ORAL)

The plaintiff-appellant is in the Regular Second Appeal against the findings of fact arrived at by both the Courts below.

Plaintiff in order to prove that he was son of Wassan Singh has produced on file the photocopy of the register of dates and birth Ex.P4. The aforesaid certificate was not found to be in accordance with the record. When the official from the office of Municipal Corporation was summoned, he stated that the entry regarding date of birth dated 10.01.1965 is not recorded in their record. Still further, the defendants have examined Sh. Sudesh Kumar, Lecturer from Government Senior Secondary School, wherein it has been recorded that the plaintiff is not son of Wassan Singh but is son of Ajit Singh and his date of birth is recorded as 18.05.1967 and he left the school on 02.05.1980.

In view of the aforesaid findings of fact which is not shown to be erroneous, this Court does not find any ground to interfere.

Regular Second Appeal is dismissed.
