TH ITS SECRETARY AND ORS**

Present: Mr. Vikas Singh, Advocate,
for applicant-petitioner.

Mr. Rajiv Malhotra, Advocate,
for respondent Nos. 1 to 3.

Applicant-petitioner is seeking review of the order dated 03.09.2014 passed by this Court in main petition i.e. CWP-16880-2009.

The applicant-petitioner has got a copy of printout of the data w.e.f. 04.04.2003 to 01.07.2003. This data has been with the petitioner since the proceedings had started against him by respondent-department, but no effort was made by him to place the same on record even at the time of filing of the review application. The Division Bench of this Court had granted him liberty to approach this Court for review of the impugned order, as certain facts were not explained at the time of hearing of the petition.

Since this piece of evidence was already with the applicant-petitioner and he has not placed the same on record along with the review application, this cannot be made basis to recall the order dated 03.09.2014 passed by this Court.

On this ground itself, the review application stands dismissed.
