Santosh

..... Petitioner

Versus

Anil Soni

..... Respondent

CORAM : HON'BLE MR.JUSTICE AJAY TEWARI

Present: Mr. Gaurav Jindal, Advocate
for the petitioner.

Mr. Ferry Sofat, Advocate
for the respondent.

AJAY TEWARI, J. (ORAL)

On the last date, the following order was passed:-

“Both the parties are present in the Court today.

This transfer application has been filed by the wife with a prayer that the petition for judicial separation filed at Gurugram be transferred to the Family Court, Bhiwani. It has transpired that the couple has two minor daughters, one of whom is a special child and both of them are staying with the respondent. In view of these stark circumstances, I have requested the parties to see if they can settle their dispute for the sake of their children. Parties have agreed to consider this. I have requested both the learned counsel also that they should treat like mediators and do their best to see that two children are brought up in a good manner.

Adjourned to 18.12.2018.

It is stated that unless there is a prospect of settlement, the parties need not appear.

Interim order to continue.

To be shown in the urgent list.”

Today it has been stated that there is no prospect of settlement between the parties. Keeping in view the stark facts of this case, I deem it appropriate to transfer the petition under Section 10 of the Hindu Marriage Act, 1955 from the Family Court, Gurugram to the Family Court, Rohtak instead of Bhiwani. Ordered accordingly. Parties through counsel are directed to appear before the Family Court, Rohtak on 28.01.2019. The Family Court, Gurugram is directed to send the record to the Family Court, Rohtak.

Transfer application stands disposed of.

Since the main case has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
