**Baljit Singh & Ors.
Vs.
Punjab & Haryana High Court, Chandigarh**

-.-

Present:- Mr. Anurag Chopra, Advocate, for the applicant/respondent.

Mr. Amandeep Singh, Advocate, for the petitioners.

-.-

I have heard Mr. Chopra on the review application with his two page synopsis in hand. Copy of the synopsis has been handed over to the counsel opposite. He has high-lighted the history of the case and submits that the written statement filed by the High Court could not fully project the case down from the 4th Pay Commission regarding pay-scales of Clerks and Junior Assistants, who form the clerical cadre of the establishment of this Court. The points raised in the review application require debate.

The review application is allowed and the main case is ordered to be put up for a fresh hearing. Liberty is granted to the High Court to present the amended written statement containing all material facts and particulars/documents for the consideration of this Court.

List on 01.05.2018 as per roster.
