Learned counsel for UT states that as far as Estate Officer is concerned, he has forwarded the claim of both the applicants for allotment to the Chandigarh Housing Board. The Board, however, raised certain objections which have also been replied on 04.07.2018. The decision now is to be taken by the Chandigarh Housing Board.

Thus, both the applications are disposed of with a direction to the Chief Executive Officer of Chandigarh Housing Board to take the final decision within one month. In respect of other applicants, the Estate Officer may take the decision in due course of time. However, if they still have any grievance, they may initiate independent proceedings.
