

TARANJIT AND ANR. VS UT OF CHANDIGARH

Present: Ms. Ekta Thakur, Advocate
for the petitioners.

The Registry has put up the file as IOIN on the ground that vide order dated 17.01.2018, direction was issued to hand over the original Registration Certificate of Car bearing No. PB12-K-0021 to learned counsel for the applicants/appellants, but no such original Registration Certificate is available on the record of learned trial Court. A perusal of order *ibid* shows that the said direction was issued on the assertion of learned counsel for the applicants/appellants.

Today, Ms. Ekta Thakur, Advocate has appeared and has tendered her unconditional apology for making incorrect assertion. Her apology is accepted.

Since the original RC is not on record of the learned trial Court, the same can obviously be not returned.

Disposed of.
