HC Udai Bhan No.87/NNL Versus State of Haryana

Present: Mr. R.K. Doon, A.A.G. Haryana.

Mr. Smart Malik, Advocate
for the non-applicant.

Review Application No.437 of 2017 (O&M)

From the prayer of review-applicant nothing is coming out what he wants to review in the judgment as prayer is very bald.

Learned State counsel submitted that in the judgment there is mention about CWP-15891-1998 in para-2 and last para of judgment regarding the connected matter in which order of censure was under challenge, whereas it was CWP No.7834 of 1998. Review of order to that extent is required to pass.

In view of these factual aspect, judgment dated 26.4.2017 is reviewed to the extent that in Para No.2 and last part of judgment CWP No.15891 of 1998 is corrected as CWP No.7834 of 1998. Registry is directed to carry out the necessary correction.

Review application stands allowed accordingly.
