others**

Present: Mr. R.K.Malik, Senior Advocate with
Mr. Sunil Hooda, Advocate for the applicant-petitioner.

In the present review application, applicant-petitioner seeks to review the order dated 06.08.2018. The review applicant has not pointed out any error committed by this court while passing the order dated 06.08.2018. New arguments are being advanced stating that while ordering notice of motion this court made an observation that instead fresh candidates in the same arrangement have been inducted while the petitioner who has been teaching since 2012 has been relieved and those who have been appointed on 01.08.2017 are continuing. Said observation would not be a reason for reviewing the order dated 06.08.2018 for the reason that whatever observation made during pendency of the petition would merge with the final order. Accordingly, no error is apparent on the face of the record.

Hence review application stands dismissed.
