RA-CW-141-2018

Heard.

Learned counsel for the review applicant submits that order dated 23.10.2017 is required to be recalled having regard to the fact that deceased respondent died on 28.12.2016. Her legal heirs are entitled to monetary benefits due to illegal termination of the deceased employee. Counsel for the review applicant was aware that deceased died on 28.12.2016 and she has been extended the benefits of 17-B wages as on the date of her death. Therefore, legal representatives should have been brought on record during pendency of the petition. Even on 23.10.2017, while dictating the order, respondent counsel could have taken time to bring legal representatives on record so as to seek further relief in respect of legal heirs are concerned. In view of these facts and circumstances and the fact that

review is permissible only if there is any error apparent on the face of the record. Accordingly, review applicant has not made out a case to as to recall the order dated 23.10.2017.

Review application stands dismissed.

CM-8072-CWP-2018

In view of the order passed in RA-CW-141-CWP-2018 which is dismissed, the present CM do not survive for consideration.

Accordingly, CM stands dismissed.
