Present: Ms. G.K. Mann, Advocate, for the appellant.

Mr. Karan Gupta, Advocate, for the respondent.

CMM-159-2018

An application has been filed by the appellant-husband for grant of maintenance pendente lite from the respondent-wife claiming that the respondent is working as Block Extension Officer, Primary Health Centre, Patiala and getting sum of Rs.58,000/- per month and she is wrongly getting maintenance from this Court. He seeks maintenance pendente lite @ Rs.15,000/- per month.

We have considered the facts and circumstances and are of the opinion that the application deserves to be dismissed as it is merely an excuse to effect the payment of arrears of maintenance which is accumulated to the extent of more than Rs.2 lac. It is not a case where the appellant-husband is not able to survive on account of want of finances. He has got liability to pay the maintenance during pendency of the case to the wife as well as to maintain the daughter who is being looked after by the respondent-wife.

Application is dismissed with costs of Rs.2000/-.

FAO-M-278-2014

Parties are present in person.

Attempt made for bringing about reconciliation failed.

In order to determine whether there is any feasibility of reconciliation, both the parties have been permitted to talk to each other for

a short duration.

For payment of the entire arrears of maintenance which have accumulated to the extent of more than Rs.2 lac, adjourned to 29.08.2018.
