State of Haryana & Ors.**

Present: Mr. Ashwani Nagra, Advocate for the review-applicant

The only direction issued vide order dated 04.10.2017 was to verify the facts regarding attainment of finality of the eviction orders, and if so, take lawful action against the encroachers. The review-applicants are the persons against whom the eviction orders were passed. Their title suit claiming ownership has also been dismissed. The instant application has been filed on the plea that on 15.02.2018, they have applied to the Gram Panchayat for sale of the land under their unauthorized possession. In our considered view, no positive direction for sale of the land can be issued as such an application has to be decided by the State Government in accordance with the Rules.

The application is accordingly dismissed with liberty to the review applicants to pursue the application in accordance with law.
