Sandeep Kumar and others versus The State of Haryana and others

Present : None for the review-applicant.

* * *

The prayer in this application is to recall/review the order dated 17.05.2017 whereby the writ petitions filed by such candidates whose diploma course was not recognized by Veterinary Council of India, were dismissed. The review is sought on the basis of some information received under RTI Act alongwith an application for condonation of delay of 418 days in filing the review application.

Having gone through the record, we do not find any ground to review/recall the order dated 17.05.2017 as there is no error apparent on record. Similarly, there is no valid ground to condone the delay.

Dismissed.
