Present: Mr. Abhay Gupta, Advocate for
Mr. Amar Vivek, Advocate for applicant/respondent No.3

This review application seeks to recall the order dated 11.03.2014 whereby a bunch of writ petitions were disposed of with the direction that residential houses of A-class construction of the writ petitioners may be released from acquisition in terms of the Government policy. The review application has been filed after a delay of 1543 days on the plea that the file got lost or that the learned counsel who appeared on behalf of HSIIDC was not authorized to appear in all the cases.

We have heard learned counsel for the review-applicant/respondent No.3 and do not find any ground to review the order or any merit in the application for condonation of delay. Suffice to observe that the only direction issued is to release the residential houses in terms of the Government policy and wherever the writ petitioner(s) is not found to have any such house(s), nothing precludes the competent authority from passing a reasoned order.

With these observations, the miscellaneous application as well as the review application both stand dismissed.
