KULDIP SINGH J. (ORAL)

CM-13540-CII-2018

There is delay of 31 days in filing the present review application.

For the reasons mentioned in the application, delay of 31 days in filing the present review application is condoned, subject to all just exception.

Application stands disposed of.

RA-CR-139-CII-2018

The present application has been filed for reviewing the order dated 09.05.2018 passed by this Court in CR No.6566 of 2016, vide which the amendment was allowed.

The plaintiff had filed a suit through Director, Krishan Kant. It was pleaded that his name was inadvertently mentioned but in fact, Sanjeev Kumar, Account Manager of the plaintiff-Company had signed the plaint.

The said amendment was allowed.

Learned counsel for the applicants/respondents contends that at the time of arguments of the said appeal, the replication was not attached with the record.

It is further contended that the amendment of the title is not the amendment of the plaint and could not be allowed.

I am of the view that all the legal submissions were made at that time and were considered and the matter was, accordingly, decided. If any argument was not raised, the same is deemed to have been considered and decided. So far as non-filing of replication on file is concerned, the same has no consequence as only a minor correction is sought to be made in the plaint i.e. change of name of the person through whom the suit was filed.

Dismissed.
