Present:- Mr. P.R. Yadav, Advocate for the applicants-petitioners.

KULDIP SINGH J. (ORAL)

The applicants-petitioners have sought review of the order dated 15.02.2018 passed by this Court, whereby the revision against the orders dated 14.12.2017 and 06.02.2018 passed by learned Addl. Civil Judge (Sr. Divn.), Narnaul, vide which the evidence of the defendants was closed by orders and vide which the application to adduce additional evidence was dismissed.

Learned counsel for the applicants-petitioners contends that this Court had recorded the findings that two site plans, which are sought to be produced are merely squares drawn in dotted lines and do not make out anything. Further, that the documents are not per se admissible and are contrary to the various authorities, which have been annexed with the present application.

Further, it is stated that even if the evidence is closed by orders, it does not make out back door entry. After considering the authorities attached with the application and the order passed by this Court, this Court

is of the view that by way of filing the present application, the applicants-petitioners, in fact, wants the application be heard as appeal against the said order. This Court has taken a view and if the applicant feels that based on some authorities the said view is incorrect, he has the right to challenge the same before the superior Court. There is no ground to review the order dated 15.02.2018 passed by this Court.

As such, the present review application is dismissed. Since, the review application is dismissed, therefore, the accompanied application pending, if any, stands disposed of.
