from diabetes mellitus, hypertension, low backache (lumbar spondylitis) and is under treatment from Tihar Jail Hospital, GTB Hospital.

3. Learned counsel for the petitioner has drawn the attention of this Court to annexure-P7 to the present petition wherein the petitioner has been actually complaining of neurocanal stenosis which is a neurological problem and despite the same he has been only provided orthopaedic treatment and not neurological treatment. As per the nominal roll of the petitioner, the petitioner was granted parole in the years 2011, 2013, 2015 and thereafter in the year 2017.

It is, therefore, directed that the petitioner be release on parole for a period of six weeks from the date of his release on his furnishing a personal bond in the sum of ₹10,000/- with one surety of the like amount, subject to the satisfaction of the learned Trial Court.

5. Petition is disposed of.

7. Copy of the order be also communicated to the petitioner through Superintendent, Tihar Jail.
